

Production Atlas — Festival Research Intake List

161 records · Generated 2026-06-29 · All records are **unverified-intake** — internal use only, not for public display

Reconciliation notes:
Entry 140 is Gem and Jam 2027 (duplicate Cascade Equinox removed at that position). Entry 160 is Cascade Equinox Festival 2027. Ambiguous entries (APOG, Wootick Festival, Summer Apex, Yahn Dawn, Nocturnal Valley, Valley of the Seven Stars, Weedstock, Showcation, Dean Claire's) require human verification before any display upgrade. Outside-AI confidence labels from uploaded packets are not carried forward.
